

## **FISCAL NOTE**

### **HB 180 - SB 291**

February 9, 2007

**SUMMARY OF BILL:** Authorizes a person to have his/her driver license reinstated once he/she has entered into a payment plan and has paid at least \$400 in fines or fees for accumulated offenses.

#### **ESTIMATED FISCAL IMPACT:**

**State Revenues – Net Impact - Not Significant**

**State Expenditures – Net Impact - Not Significant**

Assumptions:

- The balance of the fines will still be owed and will be paid in accordance with the payment plan.
- Authorizing a person to receive his/her driver license when at least \$400 in fines has been paid will allow him/her to receive the driver license sooner than is allowed under current law. In some cases this may cause the driver license to be reinstated in the current fiscal year rather than the next fiscal year, causing a not significant shift in state revenues and expenditures.
